

THARAKA NITHI COUNTY GOVERNMENT

P.O. Box 10 Kathwana, lands@tharakanithi.go.ke

ALL CORRESPONDENCE TO BE ADDRESSED THE COUNTY SECRETARY

INDEMINITY FORM

THIS FORM MUST BE SIGNED BY ALL DEVELOPERS IN TRIPLICATE AND ORIGINAL RETURNED TO THE PHYSICAL PLANNING DEPARTMENT

We/I/Mr./Mrs/Ms/.....ID NO.....of P.O Box No.....and being Developer(s) of a proposed building(s)/structure(s) on Plot No..... that was Approved by THE DIRECTOR PHYSICAL PLANNER.....under REG. No..... do hereby indemnify the Tharaka Nithi County Government its servants, agents, proxies or any other person under its direction or instruction approving the plan and inspecting the works on routine basis from any claim that might arise as a result of the above building construction during or after the construction including building collapses or loss of life(s) injury as a result thereof.

The Approval of the Architectural/Structural drawing shall NOT relieve me and my structural Engineers of full responsibility for errors and/or omissions in the design that may subsequently be discovered. The sub county Engineers, Planners and Inspectors shall be absolved from any negligence claim whatsoever Further we shall ensure that all excavated/unwanted materials from the site shall be dumped and spread in all approved site and manner by the Directorate and in compliance with clause 605 (Safety and Public Health Requirements) of the Standard Specification for road and Bridge Construction Ministry of Transport and Communication. 1986 Edition. We shall maintain the service of qualified and registered Structural Engineer,

Engineer..... (Reg. No.....)

Registered Architect..... (Reg. No.....)

and experienced registered contractors(s) M/S.....

of P.O. Boxtown.....

physical Address:.....

We shall also employ the services of an experienced qualified resident Engineer or Clerk of Work (Minimum qualification Diploma in Building Construction or equivalent) or general foreman who is capable of reading the particulars of working drawing showing and as stipulated in clause 126 of Building order 1968 and the Local Government (Adoptive by-laws) (Grade II) Building order 1968.

Any changes in the engineering profession involved in the said constructions shall be communicated to the County Physical Planner immediately.

Shall also ensure that materials testing of all structural elements are done, concrete tests returned (certified copies) shall be submitted to the Sub County Planner for further action.
